

**Seafood** - U.S. snow crab imports have been erratic during the last several months. In November, they were up 4% from the previous year but at historically inflated price levels. The Alaskan snow crab fishing season is progressing, and the Canadian seasons are near. Still, the Newfoundland harvest this year could be small causing elevated price levels to persist.

| Description                 | Market Trend | Supplies | Price vs. Last Year |
|-----------------------------|--------------|----------|---------------------|
| Shrimp (16/20 frz)          | Steady       | Good     | Lower               |
| Shrimp (61/70 frz)          | Steady       | Good     | Lower               |
| Shrimp Tiger (26/30 frz)    | Steady       | Good     | Lower               |
| Snow Crab, frz              | Steady       | Good     | Higher              |
| Tilapia Filet, frz          | Steady       | Good     | Lower               |
| Cod Filet, frz              | Steady       | Good     | Higher              |
